MEMORANDUM FOR: Assistant Secretary of Defense, Deputy
Director Defense (Research and
Engineering)

SUBJECT: DOD/CIA-NASA Agreement on
NASA Reconnaissance Programs

1. With our responsibility for the security of NRO programs in mind, we have reviewed quite carefully the draft of 10 July 1963 on the DOD/CIA-NASA Agreement on NASA Reconnaissance Programs. While all such arrangements present security problems, I believe that the method proposed by this Agreement appears to be most feasible, and we are prepared to implement our portion.

2. With certain minor editorial changes which I have included in the attached draft, I feel the Agreement will provide a workable arrangement.

(Signed) Marshall S. Carter
